

UNWRAP THE MAGICAL SWISSMAS AT MÖVENPICK RESORT CAM RANH

Cam Ranh, November 16, 2023 – Celebrate the magic of the holiday season at **Mövenpick Resort Cam Ranh** as we transform our Swiss Village into a winter wonderland, embracing the spirit of a Swissmas like never before. Dazzling lights, festive decorations, and the sweet aroma of Swiss Christmas treats set the stage for an enchanting experience for our guests.

The **Swiss-inspired Christmas market** at **Swiss Village** boasts charming wooden huts and stalls showcasing handcrafted goods and souvenirs by local artists. Indulge in the festive spirit with mulled wine, gingerbread, cookies, and irresistible chocolates. Capture the joy of the season with a family photo in our special Christmas photobooth or engage in fun folk games – an unforgettable way to make lasting memories with your loved ones.

The holiday season is synonymous with elaborate family meals, and Mövenpick Resort Cam Ranh elevates this tradition with our festive buffet dinners at **Panorama Restaurant** and **Chübeli Beer House**. Our culinary journey spans from Asia to Europe, creating a harmonious blend of flavors that resonate with the warmth of family moments. Each dining experience is meticulously curated with unique entertainment shows, including a live Christmas piano performance by our Swiss maestro, Clemens Böhm, at Chübeli Beer House, and the captivating vocalist Marion. The countdown party features a live DJ, water drum show, New Year circus with festive magicians, dancers, and mascot, along with a performance by the talented Rubik band.

As a family-oriented resort, Mövenpick Resort Cam Ranh is dedicated to creating cherished and festive childhood memories. Our Little Birds Club hosts activities like Gingerbread House Decorating, allowing children to partake in one of the most distinctive rituals of the Christmas season. A well-rounded schedule of year-end entertainment activities ensures that our little angels experience joy throughout this holiday journey.
