

## **MÖVENPICK RESORT CAM RANH ACHIEVES HACCP CERTIFICATION SETTING NEW STANDARDS IN FOOD SAFETY**

*Cam Ranh, 21 November 2023 – Mövenpick Resort Cam Ranh proudly announces its official receipt of the Hazard Analysis and Critical Control Points (HACCP) certification on November 21, 2023. This prestigious accreditation underscores the resort's unwavering commitment to the highest standards of food safety and quality.*

HACCP is an internationally recognized system designed to identify and control potential hazards in food production. Mövenpick Resort Cam Ranh has successfully implemented comprehensive protocols, ensuring the safety and well-being of our guests through every step of the culinary journey.

"We are delighted to achieve this significant milestone, as it reflects our dedication to maintaining the highest standards of food safety," said Mr. Bruno HUBER, General Manager at Mövenpick Resort Cam Ranh. "This certification not only validates our commitment to excellence but also assures our guests that their well-being is our top priority."

The rigorous HACCP certification process involved a thorough assessment of Mövenpick Resort Cam Ranh's food safety management system, from the sourcing of ingredients to the preparation and serving of dishes.

As Mövenpick Resort Cam Ranh continues to elevate the guest experience, the HACCP certification reinforces its position as a premier destination that prioritizes the health and satisfaction of its patrons.
